Title: 1st Field Company, Australian
Engineers

June - August 1915

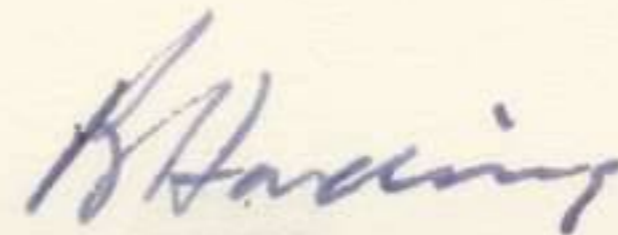

AWM4-14/20/11

The list of men in this envelope are those members of the 1st Field Company who served at Courtney's Post, Gallipoli, during the period about June to August, 1915, when a section of the Company was detailed to go there in charge of ^{*}Major Bachtold. The list was compiled by George Chisholm (one of the party) and had been retained by Major Bachtold. On Anzac Day, 1967, Major Bachtold produced the list to Mr. T.B.Nicol, Consulting Engineer, 59 Crows Nest Road, Crows Nest, N.S.W., who forwarded a photocopy to the Memorial to ascertain if the original would be suitable for inclusion in the records. Mr.Nicol was informed that no copy could be traced in the war diary, and that it would be desirable for the list to be placed with the diary.

It was subsequently made available by Major Bachtold through Mr. Nicol for this purpose.

See Australian War Memorial file 419/76/18 for correspondence with Mr.Nicol regarding this matter.
